Present: Cllrs D. Bishop (Mayor), M. Blightman, Mrs S. Evans, G. Fussey, P. Highy, P. Lawless, M. Leach, R. Lewandowski, J. Lovell, Mrs L. Tarbox & Mrs S. Warner

In Attendance: Mr R. Austen (Town Clerk), Mr M. Reynolds (Accountant), Cllr Mrs S. Rayner (RBWM), Mrs R. Rivaz (ECA), PS Emma Pendry & Mr J. Pick (TVP)

Apologies: Cllrs M. Cadwallader, D. Hill & D. Reed, Cllr M. Alexander (RBWM)

The Mayor opened the Meeting by welcoming everyone present and the apologies were recorded.

CM 4668 Finance – Schedule of Payments & Monthly Accounts

Mr Reynolds presented July and August monthly and YTD accounts to the Meeting.

- Mr Reynolds confirmed that expenditure was broadly in line with budget. There was still a significant amount of Section 106 money (£118K) in the accounts and the Mayor indicated that this would very likely be used.
- There being no questions on the accounts, the July and August schedules and the YTD accounts were approved.
- Eton Town Centre Dog Bins – expenditure of £740 on two dog bins was approved, one to be sited in Jubilee Gardens and the other in the forthcoming Watermans Arms Greenery.
- Haywards Mead Recreation Ground – expenditure of £350 on pruning a tree was approved.
- Stockdales Recreation Ground – expenditure of £450 on pruning two trees was approved.
- Stockdales Recreation Ground – expenditure of £450 on rotavating and reseeding ground previously occupied by gas contractors was approved. Town Clerk will aim to reclaim this amount from the contractors, plus £200 for damage to a mower owned by Greentouch.
- Eton Wick Fireworks Association – a grant of £1000 towards the display was approved. £750 is allocated to the fireworks fund and £250 to the cleaning up cost.

CM 4669 RBWM Councillors’ Issues

Cllr Mrs Rayner reported on the following:

- Animal Sanctuary - this is reported later in the minutes under EWVA. A meeting had been held prior to this Council Meeting with Rob Large and Cllr Mrs Rayner of RBWM, the Mayor, the Town Clerk and Cllrs Lewandowski and Lawless when the whole issue had been discussed.
- Pedestrian Crossing – RBWM has undertaken to clear the trees that might cause an obstruction and will repaint the crossing.
- Haywards Mead Recreation Ground – a new noticeboard is being organised which will feature the local footpaths leading down to the Thames.
- Eton College has cut the brambles and undergrowth on Eton Little Common.

CM 4670 Thames Valley Police (TVP)

- PS Emma Pendry reported on the local crime figures. Criminal activity in Eton and Eton Wick is reducing as a result of more active police engagement in the area. There is still a significant number of burglaries but the total is considerably less than in other parts of the Borough.
- Emma and her team are working closely with Ros Rivaz on Eton issues and there is a Question & Answer session planned on Thursday evening 22nd September at Eton College when residents of Eton and Eton Wick can connect with the local police officers.
- There has been considerable effort in tackling the problem of cyclists riding the wrong way down the High Street. In the first instance cyclists are warned and if they repeat the offence, then they will have to pay a £50 fine. So far 150 cyclists have been stopped. As a future deterrent it has been proposed that a ramp be installed at the end of the High Street by Windsor Bridge, however there was general agreement that fines are the best deterrent of all.
- Jeff Pick spoke on the need to look after the elderly and vulnerable people who are targeted by thieves and con men.
- Jeff showed a variety of anti crime gadgets which are cheap and easy to install and which can make a huge difference in deterring criminals. Included in this was Neighbourhood Plan signs which he has a quantity of for distribution. Town Clerk will ask Jeff to send a quantity. **Action: Town Clerk**
- The Brocas PSPO is about to pass the six week period and the signage will then be installed. Signs will be fixed in seven locations. Shift officers have been briefed on what is involved.
- The nighttime economy is producing much less anti social behaviour (ASB) than in previous years. The situation is under constant review and there are plans to involve mobile police officers who will respond to instances of ASB immediately.
- Emma made a plea that her officers are treated respectfully. This follows recent incidents in Eton where a member of the public had shown rudeness and offensive behaviour towards TVP officers.
- Members thanked Emma and Jeff for their work in Eton and Eton Wick and to their contribution at this Meeting.

**CM 4671 Eton Community Association (ECA), Eton Wick Village Association (EWVA) & Eton Traders Assoc (ETA)**

**ECA and ETA:**

Ros Rivaz highlighted certain items from her previously circulated report. Of particular note was the planned launch of the Eton Heritage Walkway at Eton College on Tuesday 13th September. Numbers are strictly limited.

**EWVA:**

There had been no meeting of the EWVA since the last Council Meeting and so there was nothing to report other than the ongoing issue of the Animal Sanctuary. There followed a lengthy discussion on the problems that RBWM is facing and indeed the village community. Cllr Rayner sought to reassure the Meeting that the Borough Council is doing all it can to solve the problems although there was nothing legally that could be done until the end of September when the initial lease period is past.

Councillors were advised to tell concerned residents that the matter is under close scrutiny by RBWM and a statement will be issued in due course.

**CM 4672 Confirmation of the Minutes of the Town Council**

The minutes of the Meeting held on 7th July 2016 were presented. There being no alterations the minutes were approved and signed
