In Attendance: Mr R. Austen (Town Clerk), Mr M. Reynolds (Accountant), Mrs R. Rivaz (ECA), Cllr M. Alexander (RBWM) & 4 members of the public Mr P. Eaton, Mrs L. Oatway, Mr M. Proctor & Mr A. Cove

Apologies: Cllrs M. Cadwallader, R. Lewandowski, D. Reed & Mrs S. Warner (ETC) & Cllr Mrs S. Rayner (RBWM)

The Mayor opened the Meeting by welcoming everyone present. The apologies were recorded.

Mrs Oatway was invited to speak on two issues of concern:

1. Toilet Signage from the Brocas

There is still nothing in place despite repeated requests. The Mayor emphasised that the Town Clerk has continued to press RBWM for a response to this request with a large record of unanswered emails and telephone calls, but there has been no response from RBWM. There is also no signage on the toilet block itself which has been requested for some considerable time as well. Cllr Alexander will follow up with RBWM.

Action: Cllr Alexander

2. Meadow Lane Car Park

Hedges and verges are not being maintained properly and the whole area looks unkempt. A recent visit by the RBWM contractor only did half the job with much work still to be completed. Cllr Alexander will follow up with RBWM.

Action: Cllr Alexander

The Mayor thanked Mrs Oatway for her contribution.

CM 4854 Finance

Mr Reynolds presented July & August 2017 monthly and YTD accounts to the Meeting:

- Expenditure in the two months was broadly in line with budget, excess expenditure is due to the grounds maintenance charge now being paid monthly.
- The monthly schedule and YTD accounts were approved.
- Expenditure of £1,250 plus VAT for emergency removal of a dead chestnut tree at Stockdales Recreation Ground and a lime tree at Bell Lane Open Area was approved retrospectively.

CM 4855 RBWM Councillor Issues

Cllr Alexander reported on the following:

- A capital bid has been submitted for rebuilding South Meadow Lane Recreation Ground pavilion.
- Meadow Lane Car Park: The subject of residents parking bays will be re examined by RBWM. It has been established that these bays will need to be moved to avoid illegal parking. The new entry/exit scheme is still not ready for installation due to teething problems at other car parks.
- LED Street lighting: This is not on schedule as progress has been slower than anticipated.

- Community Toilet Programme: Paul Roach of RBWM is following this up with potential pubs and other outlets in the High Street. Need to establish why targets are not wishing to sign up – cost v reward? There was discussion about a key system for taxi drivers but it was felt that the problem was more with late night revellers than taxi drivers. Also some discussion about automatic opening/closing system on the public toilets to enable late night opening.
- Meadow Lane Car Park: Cllr Leach requested why RBWM is not issuing any more business parking permits for which he felt was needed to help attract new businesses to the High Street. Cllr Alexander explained that RBWM had reached the maximum limit of permits but he will check who actually has the permits as the details held at RBWM may be out of date. **Action: Cllr Alexander** It was noted that the car park has plenty of spaces available during the weekday but is always full at weekends.
- Cllr Alexander reported that CCTV cameras will remain in force.

CM 4856 Thames Valley Police (TVP) Liaison

There was no representative from TVP in attendance. It was acknowledged that the daily TVP Alerts were providing excellent up to date information.

CM 4857 Eton Community Association (ECA), Eton Wick Village Association (EWVA) & Eton Traders Assoc (ETA)

ECA & ETA

The July/August ECA report had been circulated to Members ahead of the Meeting and there were no questions. Mrs Rivaz highlighted certain points:

- Eton Action List: Mrs Rivaz, Peter Eaton and the Town Clerk are due to meet on Friday 8th September and then monthly for a 3 month trial period to monitor progress on outstanding actions.
- Eton High Street: Mrs Rivaz is reaching out to possible traders that might be interested in opening a store in the High Street, including a butcher, a baker and a dry cleaners.
- Borough Local Plan: Mrs Rivaz is in touch with RBWM to ensure that Eton is designated a town centre and not just a local centre, which has different arrangements.
- Cycle Parking: An increased capital bid to RBWM has been submitted.
- Finding the Brook: An increased capital bid to RBWM has been submitted
- Travel from Windsor to Eton: The road link needs improving as it is very unattractive with boarded up shops and illegal parking. A capital bid is being submitted to RBWM.

EWVA

A meeting of the EWVA committee had taken place on Wednesday 6th September and a report had been circulated to Members. With the late arrival of the report, Cllr Highy ran through the various subjects so that Members were made aware. Additional questions were raised as follows:

- The Town Clerk asked about the state of the wooden posts at Haywards Mead? It was understood that Cllr Mrs Rayner had this matter in hand.
- Cllr Mrs Evans reported that the Frosts signs had been approved and they will be installed at each corner of the flower bed.
- Cllr Leach reported that the areas surrounding the RBWM planters looked very untidy and they need proper care and attention.

It was agreed that Cllr Lewandowski will progress a plan to refurbish the building. Site visit made on 3rd February and outline plan presented to ETC Meeting by Dan Lewandowski on 2nd March. A working party of the Mayor, Cllrs Leach, Lewandowski and Reed, Ian Mellor and the Town Clerk met on 23rd March and a further meeting took place with Dan Lewandowski on 3rd May to progress the project. Cllr Reed is leading the project and he has spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed has circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6th July ETC Meeting. Cllr Reed is progressing with Cllr Alexander a capital bid from RBWM.</p>
Eton Wick Cemetery Extension	<p>The PCC has received the report from the Environment Agency and this has been sent to Roni Savage the Consultant for examination. This will be part of the supporting paperwork when a new application is submitted</p>
Neighbourhood Plan	<p>The Plan was approved for submission at the 4th May ETC Meeting and with a minute amendment, at the 1st June Meeting and has been passed to RBWM for adjudication. Tree Survey across ETC Estate	<p>ETC commissioned Toby Fox to do a tree survey and this was completed and circulated to members on 31st May. It was agreed at the 1st June ETC Meeting that health and safety issues be addressed first, followed by statutory requirements. It was also agreed that each recreation ground/open space councillor be responsible for his part of the survey under the overall leadership of Councillor Reed who will manage the reporting process. Helen Leonard of RBWM has supported the Survey and has offered a list of recommended contractors and following discussion at the 6th July ETC Meeting, the Town Clerk sought quotations. These have been received and passed to Cllr Reed and the other members of the team to follow up.</p> <p>Action: Cllrs Lawless, Lewandowski, Lovell & Reed</p>

Eton Court Car Park Mural

Cllr Fussey reported at the 7th September ETC Meeting that the commissioned artist will be working with local schools to prepare some ideas for the mural. These will be featured in an exhibition afterwards, probably in Eton College. The cost of this exercise is estimated at £2K. When the design has been prepared, the mural will need planning permission and also approval from ETC for the estimated total expenditure of £20K. It is anticipated that some of this cost would be made available from Section 106 Community Art Projects fund. Cllr Alexander indicated the possibility of a matching grant from RBWM. It was agreed unanimously at the Meeting that initial expenditure of £2K be approved and Cllr Fussey to make the necessary arrangements.

Action: Cllr Fussey

Cllr Fussey indicated that he may need to hand over the reins on this project to another councillor in due course owing to his work commitments.

Haywards Mead Play Area

Following discussions between EWVA and Cllr Mrs Rayner on 5th July, it was decided that Haywards Mead Play Area needed upgrading and Councillor Mrs Tarbox was charged with formulating a proposal for ETC to consider. CM 4863 Website

- Cllr Blightman had not been able to circulate a report for July and August owing to a computer malfunction. Cllr Blightman requested more information from Members for the website.

CM 4864 Other Organisations

- **Baldwins Bridge Trust:** The Mayor reported that a meeting is scheduled for w/c 11th September.
- **Eton Wick Football & Social Club:** Cllr Lovell reported that all is running smoothly.
- **Eton Poors Estate:** Cllr Highy reported that a meeting is scheduled for September. A message had been received from Margaret Everitt of Eton Wick Village Hall which was very positive about the Charteris Day Centre sessions being held there, with over 25 attendees of which 7 are coming from Eton. These folks are being picked up by taxi organised by the charity. Cllr Highy then expressed his deep concern over the conduct of one of the ETC councillors who had compromised the confidence needed by Members from Section 2 discussions. It was agreed that the Mayor will speak to this councillor when he returns from holiday. **Action: The Mayor**
- **Eton Wick Waterways Group:** Cllr Mrs Evans reported that there have been meetings in July, August and September. The Launch Day will take place on Saturday 16th September and leaflets were being circulated to all houses in Eton Wick.
- **Heathrow Airport Expansion:** There was nothing to report.

CM 4865 Recreation Ground & Open Spaces Reports

- **Stockdales Recreation Ground:** Phil Griffiths had expressed concern about illegal parking on the grass and had requested 'no parking' signs be erected. It was decided that this was not the right answer and instead Phil should leave notices on the offending windscreens. The Town Clerk will follow up with Phil. **Action: Town Clerk**
The royal visit plaque has broken, Town clerk to arrange for My Handyman to repair. **Action: Town Clerk**
- **Haywards Mead Recreation Ground:** Cllr Lovell expressed his concern at the rubbish strewn around the play area and the length of the grass on the recreation ground. Town Clerk to follow up with Greentouch. **Action: Town Clerk**

- **South Meadow Lane Recreation Ground:** Nothing to report.
- **Jubilee Square & Watermans Arms:** Cllr Leach reported that Excellent Plants was doing a very good job in the town. The drive on Jubilee Square is still looking dirty and the Town Clerk continues to press RBWM for action. The air conditioning units in the Golden Curry alley are out of keeping and Cllr Leach will be following this up with Mrs Rivaz and the new owner. **Action: Cllr Leach**

CM 4866 Eton High Street Pavements

A complaint was received. This comes after 2 years of consultation with the Eton & Eton Wick electorate for the Neighbourhood Plan, with approx. 300 inputs where this was not raised. Accordingly, we need to address this and the recent requests for specific motorbike parking and those for electric car (and motorbike) charging points appropriately. Initial work has been carried out to assess that the gulleys could be replaced with a solution that would be flat on the surface with an ACO type drain system below, thus retaining the York stone heritage pavement. There are examples within RBWM in Windsor where this is in place.

CM 4867 Any Other Business

- Cllr Mrs Evans reported that Craig Miller is leaving RBWM.
- Cllr Blightman wished to thank Cllr Lovell for installing the new broadband system.
- Resident Mr Proctor asked whether there were problems with radio reception in Eton. Members responded that they had experienced no such problems.
- Mrs Rivaz had met with the Police and Eton College regarding ASB issues in the town, especially drugtaking. It was agreed that more CCTV was the answer, however this would need to be financed privately as RBWM has no budget for it. The new cameras would need to connect to Tinkers Lane. Mrs Rivaz is progressing this.
