- In Attendance:** Mr R. Austen (Town Clerk), Mr M. Reynolds (Accountant), Dr R. Rivaz (ECA), Mr P. Eaton (BRG), Sgt. E. Pendry & P.C. P. Bullett (TVP) part, Mr I. Mellor & Colleague (Eton College) part & 3 local residents.
- Apologies:** Cllrs M. Blightman, M. Cadwallader, Mrs S. Evans, D. Hill, J. Lovell & Mrs S. Warner, Cllrs M. Alexander & Mrs S. Rayner (RBWM)

The Mayor opened the Meeting by welcoming everyone present and the apologies were recorded. The Mayor then introduced Ian Mellor of Eton College who presented the proposed new indoor sports facilities and explained the process prior to applying for planning permission. Presentations have been made to the local community, all primary schools in the Borough, the Environment Agency and English Heritage.

The scheme is on two sites, the first is the the old open air swimming pool and the second close by in a field alongside Slough Road. Community use is planned for both sites. The first site on the old swimming pool will encompass a sports hall for badminton, football etc and the second site will see a larger sports hall on different levels with squash courts, swimming pool, martial arts etc as well as the usual sports hall activities

The College is in discussion with RBWM regarding community use for schools where there has been great interest shown, particularly morning swimming sessions. Adult community use will be exclusively for Eton and Eton Wick residents and it is hoped will be available in the evenings, weekends and holidays.

The planning application will be made in July 2018 and will probably be heard at the September or October RBWM Panel Meeting. In the meantime, the plans and model will be on display in the Council Offices for local residents on Friday evening 8th June 4.00pm to 7.00pm, and on Saturday morning 9th June from 10.00am to 1.00pm.

Mr Mellor then invited questions:

- Cllr Reed enquired how public use would work. Mr Mellor responded that a fee would be charged.
- Dr Rivaz enquired about the flood plain. Mr Mellor responded that this had been taken into account with the design of the buildings, and the development will actually benefit any flood risk.
- Cllr Lewandowski enquired about the timescale. Mr Mellor responded that following planning approval, the work should be ready to commence in Summer 2019. The first site will take one year to complete and the second site would be ready in 2022.

There being no other questions, the Mayor thanked Mr Mellor for his very interesting presentation.

CM 5007 Finance

Mr Reynolds presented May monthly and YTD accounts to the Meeting:

- Expenditure for May was down on budget due to the absence of a grounds maintenance invoice in the month. There was nothing significant to report.
- The monthly schedule and YTD accounts were approved.
- An annual payment of £30.00 for PC software protection as recommended by Cllr Blightman was approved.

- The Town Clerk requested a decision on whether to increase the charges to football teams on South Meadow Lane Recreation Ground and Haywards Mead Recreation Ground, and by how much. This in response to rising costs of maintenance (tree survey, tree and hedgerow maintenance, vandalism etc) and the fact that the fees had remained at the same level for many years.

Following much discussion and comparison with other Council's charges it was agreed that fees should be increased as follows:

Adult Teams: £500 a season (up from £350)

Youth Teams: £175 a season (up from £150)

The Town Clerk will advise the various clubs accordingly.

Action: Town Clerk

CM 5008 Thames Valley Police (TVP) Liaison

Sgt Emma Pendry introduced local neighbourhood policeman Pete Bullett and presented her crime report to the Meeting:

- Crime figures in Eton and Eton Wick had been very low in May owing to the large police presence for the Royal Wedding.
- 5 x assaults
- 1 x residential burglary
- 3 x criminal damage inc one at Eton College
- 1 x theft from garden
- 1 x theft from motor car
- 1 x cycle theft
- 0 x shoplifting

There had been no progress made on the homeless issue owing to the Royal Wedding, however an arrest will be made of an aggressive female beggar in Windsor.

There is a possibility of a Presidential Visit to see the Queen on 13th July, any concerns to be directed to TVP.

Local resident Mrs Oatway expressed her concern over the danger to public health from the homeless people on the streets, dirty blankets etc. Emma responded that the Police do not take property from the homeless people, especially since the recent adverse publicity. Problems of waste are dealt with by RBWM. Action by TVP will only be taken if there is a problem with vermin.

The Mayor expressed the Meeting's thanks to Emma for her contribution.

CM 5009 RBWM Councillors' Issues

There were no reports from Cllr Alexander or Cllr Mrs Rayner tabled.

The Town Clerk reported on the recent surge of emails concerning the state of Meadow Lane Car Park in particular and Eton in general. These emails had been circulated to all Members. Cllr Leach asserted that the Car Park was in a dreadful state and the southern end of the High Street likewise and RBWM was not doing its job properly. This was supported by local residents Mrs Oatway and Peter Eaton.

The Town Clerk reported that he had spoken with Tony Robinson of RBWM that afternoon and Tony had stated that manual sweeping takes place 3 x times a week on Monday, Wednesday and Friday mornings between 6.00am and 8.00am, and a 3 x weekly mechanical sweeping took place. This was hotly disputed and it was agreed to monitor the situation to confirm what actually takes place.

On the subject of the recycling bins, the Town Clerk had circulated a report from Naomi Markham of RBWM which offered three alternatives for the Council to debate:

1. Continue to manage it as it currently is to empty the bins and clean the site on a weekly basis.
2. Work with the Town Council and interested local residents to provide more information to residents in Eton on how the recycling site should be used and what is acceptable to place in the bins.
3. Remove the recycling site and work with the Town Council and interested local residents to provide information to residents in Eton about their recycling collections from home.

Following much discussion, it was agreed that the recycling site be removed for a trial period of 4 months.

Town Clerk to organise.

Action: Town Clerk

Cllr Leach requested that a strongly worded message be sent to RBWM regarding the state of Eton. The Town Clerk will organise.

Action: Town Clerk

The Town Clerk advised the Meeting that in future Tony Robinson would be attending regular meetings of the Eton and Eton Wick Action Groups which will enable site visits to be made to confirm what is actually going on.

In response to an enquiry from Cllr Highy, the Town Clerk advised the Meeting that he had not received a letter from Cllr Alexander regarding Eton Wick Churchyard Extension.

CM 5014 Action List

Issue	Action / Status
Eton Wick Cemetery Extension	<p>A planning application was inserted on the RBWM planning portal w/c 17.1.18 which took into account some of the recommendations of the EA Report. The application went to Panel on Wednesday 28th March but was refused. At the ETC Meeting on 3.5.18 Cllr Lewandowski expressed the community's deep concerns over this decision and an appeal is under consideration, pending a response from the Panel Chairman Cllr Alexander who voted against the application. Cllr Lewandowski had reviewed the video recording of the hearing and is in contact with RBWM Electoral Services to clarify the procedures and content.</p> <p>Cllr Alexander confirmed that as Chairman he is not in a position to abstain, and the evidence submitted by the EA on potential water purity dangers led him to vote against the application. It was agreed that Cllr Alexander would send a full report to ETC on his reasons for refusing the application to satisfy local feeling, and this is still awaited.</p> <p>The Graveyard Fund will disband and there will be an Extraordinary Meeting in July to decide what will happen to The funds.</p>
Neighbourhood Plan	<p>The Neighbourhood Plan is going to referendum on 12th July in the Council Chamber.</p>

South Meadow Lane Pavilion, Eton

NB Cllr Lewandowski has declared an interest in this matter. Cllr Reed is leading the project and he has spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6.7.17 ETC Meeting. This would need to come from reserves. Cllr Reed is progressing with Cllr Alexander a capital bid from RBWM. ETC approved expenditure of £995 on a Flood Risk Survey at the 5th October ETC Meeting, to come from the £5,000 committed. A planning application was submitted for the building and this was approved by RBWM. A further planning application was made for the car park and ETC approved expenditure at the 5th April ETC Meeting of £1,000 to Lewandowski Architects to make this submission. In addition, £2,000 was approved at this Meeting for a Structural Engineer. Planning approval has been obtained and the next step is to raise the funds. The development is estimated to cost £250K and grant applications are being considered including the Big Lottery Fund.

School Bollards in High Street

At the ETC Meeting on 3.5.18 it was agreed that this project be added to the Action List, for ongoing discussion. At the Meeting on 7th June Cllr Fussey advised that child bollards were not wanted but a different solution, and so the Council must wait for the School to determine what they want before agreeing anything.

Haywards Mead Play Area

Following discussions between EWVA and Cllr Mrs Rayner on 5.7.17, it was decided that Haywards Mead Play Area needed upgrading and Councillors Mrs Tarbox and Lawless were charged with formulating a proposal for ETC to consider. Mrs Tarbox reported at the ETC Meeting on 1.2.18 that rather than replace the equipment, which was still in good condition and used continuously, what was required was a better entrance to Haywards Mead Recreation Ground and a better entrance footpath to the Play Area. The existing equipment could be spruced up and additional small items of 'imaginative' equipment installed. Mrs Tarbox has advised members of her vision that focuses on play equipment, entrance, car park and signage. Meetings with suppliers are in progress. The Mayor has confirmed that there is £32K in Section 106 funds that could be allocated to the project. A lottery grant is being applied for.

Tree Survey across ETC Estate

ETC commissioned Toby Fox to do a tree survey and this was completed and circulated to members on 31.5.17. It was agreed at the 1.6.17 ETC Meeting that health and safety issues be addressed first, followed by statutory requirements. At a meeting of the responsible councillors on 25.1.18 it was decided to recommend the quotation of £6K from Barkland Tree Specialists, pending a suitable reference from RBWM. This was received and at the ETC Meeting on 1.2.18 it was agreed to accept the quotation. The tree work started on 4th June and responsible councillors are monitoring progress against their schedule. Cllr Lawless to circulate Barkland Tree Specialists own progress preport. **Action: Cllr Lawless**

Eton Wick River Link Signpost

Cllr Lewandowski is progressing this initiative with Sharon Wooten of RBWM and Eton Wick History Group to identify interesting points of old Eton Wick to be included. Cllr Lewandowski met with the History Society in March and is getting images and histories of various parts of Eton Wick to go on the signpost. It is envisaged to have 3 signposts sited in the village. It was agreed that a dedication to Frank Bond should appear on the signposts.

Eton Court Car Park Mural

Cllr Fussey reported that the mural will need planning permission and also approval from ETC for the estimated total expenditure of £20K. It is anticipated that some of this cost would be made available from Section 106 Community Art Projects fund. Cllr Alexander indicated the possibility of a matching grant from RBWM, TBC. The work with the schools was completed and the design has been selected. The exhibition at the College took place on 5.3.18 and a preview for ETC took place at the ETC Meeting on 1.3.18 with the artist Gordon Collett, and the design was very well received. Cllr Fussey is meeting with the owners of the building to approve the design. Gordon has agreed that his design can be used for other things eg ETC Christmas Cards. At the ETC Meeting on 7th June, Cllr Fussey advised that the owners of the wall have lost interest in the project and so it was not worth progressing anymore.
