### **CM 5041 Thames Valley Police (TVP) Liaison**

In the absence of Sgt Emma Pendry, PC Pete Bullett reported that there had been one recorded crime in Eton in August and 22 in Eton Wick. Some of this was attributable to the travellers, notably theft from vehicles.

Cllr Highy expressed his concern over the length of time it takes for TVP to respond to 101 calls. PC Bullett fully understood this situation and shared in his frustrations, and agreed to pass the complaint onwards. The problem seems to be a lack of staff at the call centre.

In conclusion the Mayor, on behalf of the Council, thanked PC Bullett for his help in dealing with the travellers' incursion at Eton Wick, this was deeply appreciated. Also the Council's appreciation for his attendance this evening.

### **CM 5042 Eton Community Association (ECA), Eton Traders Association (ETA) & Eton Wick Village Association (EWVA)**

## CM 5046 Action List

Issue	Action / Status
Eton Wick Cemetery Extension	The Churchyard Committee is now set up as a Trust following the AGM in May 2018. Trustees will be appointed at an EGM on 11.10.18. It was agreed that Cllr Mrs Tarbox would be the ETC representative on the Board of Trustees.
Neighbourhood Plan (NP)	The formal making of the NP is scheduled for the full RBWM Council Meeting on 25.9.18. The NP already forms part of the Development Plan and is used in making development management decisions.
School Bollards in High Street	At the ETC Meeting on 3.5.18 it was agreed that this project be added to the Action List, for ongoing discussion. At the Meeting on 7.6.18 Cllr Fussey advised that child bollards were not wanted but a different solution, and so the Council must wait for the School to determine what they want before agreeing anything.
South Meadow Lane Pavilion, Eton	<p><b>NB Cllr Lewandowski has declared an interest in this matter.</b> Cllr Reed is leading the project and he has spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6.7.17 ETC Meeting. This would need to come from reserves. ETC approved expenditure of £995 on a Flood Risk Survey at the 5.10.17 ETC Meeting, to come from the £5,000 committed. A planning application was submitted for the building and this was approved by RBWM. A further planning application was made for the car park and ETC approved expenditure at the 5.4.18 ETC Meeting of £1,000 to Lewandowski Architects to make this submission. In addition, £2,000 was approved at this meeting for a Structural Engineer. Planning approval has been obtained and the next step is to raise the funds. The development is estimated to cost £250K and Cllr Reed is progressing a capital bid from RBWM for £150K. Grant applications are being considered including the Big Lottery Fund and Cllr Reed is organising a conference call with Berks &amp; Bucks FA and Paul Mitchell to progress this. <b>Action: Cllr Reed</b></p> <p>A meeting of the working party took place on 4.9.18 and Cllrs Leach and Lewandowski will be formulating a business plan. <b>Action: Cllrs Leach &amp; Lewandowski</b></p>

## Haywards Mead Play Area

Following discussions between EWVA and Cllr Mrs Rayner on 5.7.17, it was decided that Haywards Mead Play Area needed upgrading and Councillors Mrs Tarbox and Lawless were charged with formulating a proposal for ETC to consider. Mrs Tarbox reported at the ETC Meeting on 1.2.18 that rather than replace the equipment, which was still in good condition and used continuously, what was required was a better entrance to Haywards Mead Recreation Ground and a better entrance footpath to the Play Area. The existing equipment could be spruced up and additional small items of 'imaginative' equipment installed. Cllr Mrs Tarbox has advised members of her vision that focuses on play equipment, entrance, car park and signage. Cllr Mrs Tarbox presented two proposals at the ETC Meeting on 5.7.18 which would cost around £80K. Cllr Mrs Tarbox is proceeding with funding options including a RBWM Community Grant and a Big Lottery Grant.

**Action: Cllr Mrs Tarbox**

## Tree Survey across ETC Estate

ETC commissioned Toby Fox to do a tree survey and this was completed and circulated to members on 31.5.17. It was agreed at the 1.6.17 ETC Meeting that health and safety issues be addressed first, followed by statutory requirements. At a meeting of the responsible councillors on 25.1.18 it was decided to recommend the quotation of £6K from Barkland Tree Specialists, pending a suitable reference from RBWM. This was received and at the ETC Meeting on 1.2.18 it was agreed to accept the quotation. The tree work started on 4.6.18 and has been completed. The Town Clerk requested the responsible councillors to sign off their particular work and Cllr Lawless (Stockdales Road Recreation Ground) and Cllr Lovell (Haywards Mead Recreation Ground) have done so. Authorisation is awaited from Cllr Lewandowski (Bell Lane Open Area) and Cllr Reed (South Meadow Lane Recreation Ground).

**Action: Cllrs Lewandowski & Reed**

## Eton Wick River Link Signpost

Cllr Lewandowski is progressing this initiative with Sharon Wooten of RBWM and Eton Wick History Group to identify interesting points of old Eton Wick to be included. Cllr Lewandowski met with the History Society in March and is getting images and histories of various parts of Eton Wick to go on the signpost. It is envisaged to have 3 signposts sited in the village. It was agreed that a dedication to Frank Bond should appear on the signposts. A draft of the signpost was shown to Members at the ETC Meeting on 6.9.18 and it is currently being reviewed by the History Society to decide what they want listed. Subjects will have QR codes for further information from the ETC website. The importance of the Eton & Eton Wick Information Centre in getting the message across was emphasised.

This system was recommended by RBWM. There then followed a long discussion on the merits and otherwise of this proposal and other ideas were discussed including planting trees, planting shrubs all around the edge and wooden poles. It was agreed that a site visit be made by ETC Members ASAP and the Town Clerk will progress this. **Action: Town Clerk**
