### CM 5090 Finance

Mr Reynolds presented November monthly and YTD accounts to the Meeting. The accounts are on budget for the YTD. There being no questions, the monthly schedules and YTD accounts were approved.

- Members considered the quotation for £1,050 plus VAT for groundwork at Bell Lane Open Area and approved this expenditure unanimously. The Town Clerk will progress. **Action: Town Clerk**
- Members considered the quotation for £6,650 plus VAT from Lewandowski Architects for preparation of a technical drawing pack for the South Meadow Lane Recreation Ground Pavilion Project. The Deputy Mayor declared an interest in this item. A grant of £5,000 has already been approved by RBWM that will cover most of this cost. Members approved this expenditure unanimously. Cllr Reed will progress. **Action: Cllr Reed**
- Members considered the draft 2019/20 budget which had been prepared by the Town Clerk. Dr Rivaz pointed out that there was no provision for the £3,000 grant previously approved by Council for the Eton and Eton Wick Information Centre, and this will be added to the budget. Cllr Mrs Tarbox felt there was insufficient provision for increases in establishment costs although the Town Clerk was not expecting a salary increase in 2019/20. The Deputy Mayor alerted the Meeting to probable increases in dog waste collection costs. The Town Clerk will adjust the budget accordingly. **Action: Town Clerk**

### CM 5091 Thames Valley Police (TVP) Liaison

Sgt Emma Pendry introduced PCSO Melita Deprose who will be the designated officer for Eton Wick, and PCSO James Persaud who has no designated patch but will be assisting in the ETC area. PCSO Liz Davidson is the designated officer for Eton.

Emma reported on the following:

- Crime figures in November:

Burglaries x 1

Theft from Vehicles x 3

Theft of Cars x 1

- The graffiti on the railway viaduct appeared to be a 'professional' job as the miscreants used mechanical equipment to cut hedges etc. This graffiti also appeared on a M25 bridge. The force is investigating who might be responsible.

- A new project called MEAM (Make Every Adult Matter) has been launched by RBWM to help homeless and vulnerable adults. Jamie Pool is managing the project at RBWM and Government funding has been allocated.
- Emergency accommodation for homeless people in the cold weather has been organised under the SWEF project.
- Dr Rivaz asked about what action is being taken against vagrants on the Windsor and Eton Bridge. Emma responded that TVP is trying to move them on and the MEAM project will assist in this measure. The numbers had increased due to the hot summer, adverse press coverage and the Royal Weddings.
- The lady cyclist that was knocked down at the Keats Lane/High Street junction is recovering

Emma concluded her report by advising that everyone be vigilant at Christmas against thieves that are now using scanners to decipher key codes.

The Deputy Mayor thanked Emma for her report and attendance, and also for TVP attendance at the Eton Wick Christmas Lights event.

### **CM 5092 RBWM Councillors' Issues**

Cllr Mrs Rayner reported on the following:

- The RBWM Boundary Review will be activated in 2019 following the local elections.
- £80,000 has been allocated by RBWM towards securing their sites against travellers' incursions. The Deputy Mayor confirmed that progress was being made with protecting Stockdales Road Recreation Ground.
- £50,000 had been approved by RBWM towards the Barnes Pool Restoration Project, making £100,000 donated in total by RBWM.
- The Living Advent Calender was active.
- The Eton College Sports Centre planning application was approved at the Panel Meeting. There was considerable support for the project from local schools and from ETC. Community usage was key to the success.
- A problem at the cattle grid at Eton Wick reported by Councillor Lovell was immediately solved, to which thanks were expressed.

In Cllr Alexander's absence, the Town Clerk presented his report on his behalf:

- Reiteration of the success at the Panel Meeting for the Eton College Sports Centre planning application.
- There is planned signal refurbishment and improvement works at the Keats Lane/High Street junction. Cllr Fussey declared an interest in this subject. This work is scheduled to commence in February 2019 and a meeting is taking place on Tuesday 11<sup>th</sup> December between Chris Wheeler, Ian Mellor, Volker Highways, Cllr Alexander and Dr Rivaz. The Deputy Mayor will be attending on behalf of ETC; with particular concern for the impact these changes will have on the traffic flow to and from Eton Wick. The Town Clerk read out the message which he had received from Chris Wheeler on the subject and Dr Rivaz added that the new traffic lights will include a pedestrian cycle and additional dropped kerbs.

Concern was expressed by Members at the lack of consultation on this project and it was felt that ETC should have been informed earlier in the process. It was considered that it was being rushed through because of fears from parents of Eton College (and Eton Porny CofE First School) pupils following the recent accident, even though that had nothing do do with traffic lights. The Town Clerk will ask Chris Wheeler to update ETC after the meeting next week and to invite him to talk at the January ETC Meeting.

**Action: Town Clerk**

## **CM 5093 Eton Community Association (ECA), Eton Traders Association (ETA) & Eton Wick Village Association (EWVA)**

### **ECA & ETA**

The November ECA/ETA report had been circulated to Members ahead of the Meeting and there were no questions. Dr Rivaz highlighted certain points from the Report:

- Windsor footfall figures at 1% down were much better than the national average.
- Windsor & Eton Town Partnership are sponsoring an art exhibition of horse paintings, to include Eton.
- American High School bands will be playing on the Windsor Castle moat.
- Steam train excursions will run weekly at Windsor & Eton Riverside Station.
- £19,218 had been raised towards the Eton and Eton Wick Information Centre. Dr Rivaz complimented Clare and Andrew on their support for the venture. An exhibition of pantomime miscellanea is featured in the Information Centre shop.
- Progress has been made with the Eton Action List, including signage in Meadow Lane Car Park.
- 50 people attended the Autumn Clean Up, a superb result.
- The Barnes Pool Restoration Project is progressing well, with thanks to Peter Eaton for his management of the project.
- Work at the Cockpit has been delayed because of new tenants at the rear of the building.

The Deputy Mayor thanked Dr Rivaz for her report.

### **EWVA**

The Deputy Mayor reported that there had not been a meeting of EWVA since the last ETC Meeting, but updated Members on recent activity:

- The bingo session had raised £350 for EWVA funds.
- The Christmas Lights switch on was very successful, and £216 was collected for EWVA funds.
- The Catholic Church will close in January.
- It was felt there was a need for a café in Eton Wick and Cllr Mrs Rayner knew someone that might be interested in opening a pop up café, to coincide with the opening of the Eton Wick River Link Signpost.

## **CM 5094 Confirmation of the Minutes of the Town Council**

The minutes of the Meeting held on 1<sup>st</sup> November were presented and there was one alteration under CM 5080 – South Meadow Lane Recreation Ground Pavilion - £10K was not expected from Windsor Lions. The following activities were attended:

## CM 5097 Action List

Issue	Action / Status
School Bollards in High Street	At the ETC Meeting on 3.5.18 it was agreed that this project be added to the Action List, for ongoing discussion. At the Meeting on 7.6.18 Cllr Fussey advised that child bollards were not wanted but a different solution, and so the Council must wait for the School to determine what they want before agreeing anything. Cllr Fussey will progress and report back at next ETC Meeting on 3.1.19. <b>Action: Cllr Fussey</b>

### South Meadow Lane Pavilion, Eton

**NB Cllr Lewandowski has declared an interest in this matter.** Cllr Reed is leading the project and he has spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6.7.17 ETC Meeting. This would need to come from reserves. ETC approved expenditure of £995 on a Flood Risk Survey at the 5.10.17 ETC Meeting, to come from the £5,000 committed. A planning application was submitted for the building and this was approved by RBWM. A further planning application was made for the car park and ETC approved expenditure at the 5.4.18 ETC Meeting of £1,000 to Lewandowski Architects to make this submission. In addition, £2,000 was approved at this meeting for a Structural Engineer. Planning approval has been obtained and the next step is to raise the funds, the estimated cost is £250K. It was established at the 4.10.18 ETC Meeting that the capital bid of £150K through RBWM had not been made. A grant application for £100K from the Big Lottery Fund is being put together

A meeting of the working party took place on 4.9.18 and Cllrs Leach and Reed will be formulating a business plan. The Town Clerk will arrange a meeting on Tuesday 11<sup>th</sup> December (see CM 5095).

### Haywards Mead Play Area

Following discussions between EWVA and Cllr Mrs Rayner on 5.7.17, it was decided that Haywards Mead Play Area needed upgrading and Councillors Mrs Tarbox and Lawless were charged with formulating a proposal for ETC to consider. Mrs Tarbox reported at the ETC Meeting on 1.2.18 that rather than replace the equipment, which was still in good condition and used continuously, what was required was a better entrance to Haywards Mead Recreation Ground and a better entrance footpath to the Play Area. The existing equipment could be spruced up and additional small items of 'imaginative' equipment installed. Cllr Mrs Tarbox has advised members of her vision that focuses on play equipment, entrance, car park and signage. Cllr Mrs Tarbox presented two proposals at the ETC Meeting on 5.7.18 which would cost around £80K. Cllr Mrs Tarbox and Clare Taylor are proceeding with funding options including a RBWM Community Grant and a Big Lottery Grant. It is planned to start phase 1 of the scheme in January 2019.

## Eton Wick River Link Signpost

Cllr Lewandowski is progressing this initiative with Sharon Wooten of RBWM and Eton Wick History Group to identify interesting points of old Eton Wick to be included. Cllr Lewandowski met with the History Society in March 2018 and is getting images and histories of various parts of Eton Wick to go on the signpost. It is envisaged to have 3 signposts sited in the village. It was agreed that a dedication to Frank Bond should appear on the signposts. A draft of the signpost was shown to Members at the ETC Meeting on 6.9.18 and it is currently being reviewed by the History Society to decide what they want listed. Subjects will have QR codes for further information from the ETC website. The importance of the Eton & Eton Wick Information Centre in getting the message across was emphasised. Cllr Lewandowski is progressing with Sharon and intends to have the completed plans ready for ETC approval at the next ETC meeting on 3.1.18.

**Action: Cllr Lewandowski**
