The Mayor welcomed Aggie Fedyna to the Meeting who was invited to discuss the arrangements for the cattle grid repairs at Eton Wick. The following points were noted:

- 1) The structure has failed because of a faulty concrete base, the cause of this has not been established.
- 2) The same problem has arisen with the cattle grid at the Dorney end of the Common which is being managed by Bucks County Council.
- 3) It has not been possible to synchronise the work due to poor communications from Bucks CC and so the timelines will be as follows:
 - a. Eton Wick Repair: Monday 22nd July to Tuesday 30th July
 - b. Dorney Repair: Monday 5th August to Friday 16th August (longer time because of road camber change)
- 4) This will mean the Dorney Common stretch of Eton Wick Road being closed for 4 weeks in the school holidays although the road through Eton Wick will reopen from 1st August.
- 5) There is an issue of residents living between the two sites being stranded.
- 6) Cllr Leach requested proper signage – NO THROUGH ROAD signs need to be installed. Agreed.
- 7) The Mayor suggested early signage warning of planned closure dates. Agreed.
- 8) Cllr Bowden will arrange a meeting with RBWM officers and Volker Highways to ensure that arrangements are in place, including bus companies.

- 11) Concern expressed from Cllr Fussey (who declared an interest) about the 400 coach movements expected during the Eton College Summer School.
- 12) Ms Fedyna confirmed that pedestrian access will continue.
- 13) Ms Fedyna will be arranging a leaflet drop through all houses in Eton Wick ahead of the work and messages will be posted on social media platforms and the local press.
- 14) Ms Fedyna advised that messaging signs will be installed at distances so that drivers are warned well in advance of road closures, to read DORNEY COMMON WILL BE CLOSED 22/7 to 16/8.

| South Meadow Lane Pavilion, Eton | <p>NB Cllr Lewandowski has declared an interest in this matter. Cllr Reed is leading the project and he has spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6.7.17 ETC Meeting. This would need to come from reserves. ETC approved expenditure of £995 on a Flood Risk Survey at the 5.10.17 ETC Meeting, to come from the £5,000 committed. A planning application was submitted for the building and this was approved by RBWM. A further planning application was made for the car park and ETC approved expenditure at the 5.4.18 ETC Meeting of £1,000 to Lewandowski Architects to make this submission. In addition, £2,000 was approved at this meeting for a Structural Engineer report. Planning approval has been obtained and the next step is to raise the funds, the estimated cost is £250K. It was established at the 4.10.18 ETC Meeting that the capital bid of £150K through RBWM had not been made. A meeting of the working party took place on 4.9.18 and Cllrs Leach and Reed were charged with formulating a business plan. A further meeting of the working group took place on 11.12.18 to update on progress with fundraising, specifications and business plan. At the ETC Meeting on 7.3.19 concern was expressed at the lack of progress and discussions took place on what would be the best way forward, notably scaling down the project to a renovation of the building instead of the proposed redevelopment. The cost of this renovation would be covered by the S106 Funds currently set aside for this building. At the ETC Meeting on 4.4.19 Cllr Reed advised that a Lottery grant of £100K had been made and Windsor Youth FC was seeking commercial sponsorship for the project. At the ETC Meeting on 14.5.19 concern was again expressed at the lack of progress and it was agreed that a decision would be made at the next ETC Meeting on 4.7.19 when Cllr Reed is present on whether to simply renovate the existing structure.</p> | |

| Haywards Mead Play Area | <p>Following discussions between EWVA and Cllr Mrs Rayner on 5.7.17, it was decided that Haywards Mead Play Area needed upgrading and Cllrs Mrs Tarbox and Lawless were charged with formulating a proposal for ETC to consider. Mrs Tarbox reported at the ETC Meeting on 1.2.18 that rather than replace the equipment, which was still in good condition and used continuously, what was required was a better entrance to Haywards Mead Recreation Ground and a better entrance footpath to the Play Area. The existing equipment could be spruced up and additional small items of 'imaginative' equipment installed. Cllr Mrs Tarbox has advised members of her vision that focuses on the 4 areas of: play equipment, entrance, car park and signage. Cllr Mrs Tarbox presented two proposals at the ETC Meeting on 5.7.18 which would cost around £80K. Cllr Mrs Tarbox and Clare Taylor are proceeding with funding options including a RBWM Community Grant and a Big Lottery Grant. With the financial situation at Stockdales resolved at the ETC Meeting on 7.2.19 it was now possible to proceed with Phase 1 of the project which is to renovate the entrance to Haywards Mead Recreation Ground, including a new sign, and the path to the play area, A meeting had taken place with Greentouch Ltd and a quotation has been received for authorisation at the ETC Meeting on 14.5.19. This was successfully agreed and Phase 1 will commence. Funding applications will continue. At the ETC Meeting on 6.6.19 it was reported that work had started on the removal of dead trees and the gate design is under consideration.</p> | |
| Cycling Problems in Eton High Street | <p>Added to Action List for 6.6.19 ETC Meeting. Town Clerk has written to Sgt Emma Pendry of TVP who has followed this up with PCSO's and activity has taken place, with culprits being ticketed. At the ETC Meeting on 6.6.19 concern was expressed over the lack of enthusiasm from TVP at the Meeting over ETC participation in the campaign, and the Town Clerk was directed to write to Sgt Pendry for a timetable of when the PCSO's will be present so that ETC Councillors can join them in a supportive role. This would also indicate to TVP the degree of seriousness which cycling the wrong way down the High Street is being taken. There is real concern that a serious accident will happen sooner or later if more steps are not taken to discourage it.</p> | Action: Town Clerk |
| Eton Wick River Link Signpost | <p>Cllr Lewandowski is progressing this initiative with Sharon Wooten of RBWM and Eton Wick History Group to identify interesting points of old Eton Wick to be included. Cllr Lewandowski met with the History Society in March 2018 and was getting images and histories of various parts of Eton Wick to go on the signpost. It is envisaged to have 3 signposts sited in the village. It was agreed that a dedication to Frank Bond should appear on the signposts. A draft of the signpost was shown to Members at the ETC Meeting on 6.9.18 and was being reviewed by the History Society to decide what they want listed. Subjects will have QR codes for further information from the ETC website. The importance of the Eton & Eton Wick Information Centre in getting the message across was emphasised. Cllr Lewandowski presented the updated plan to Members at the ETC meeting on 7.2.19 and he will be meeting with residents on 12.2.19. At the ETC Meeting on 7.3.19 Cllr Lewandowski reported that meetings had taken place with all interested parties and a draft will be circulated to Members. At the ETC Meeting on 4.4.19 Cllr Lewandowski advised that the History Society would be credited on the board for the research as Frank Bond was a member of the Society. At the ETC meeting on 14.5.19 the Mayor advised that he had redesigned the signpost and was hopeful of a successful outcome in May. At the ETC Meeting on 6.6.19 the Mayor presented the draft map and all agreed it was an excellent design. The plan was to install one in the centre of the village initially and then two more would be installed in prominent sites for walkers and cyclists. A copy of the map will be displayed in the Eton & Eton Wick Information Centre and one at the Eton Wick Community Day. The Mayor requested feedback from Members on any mistakes.</p> | Action: Members |
