

Meeting Held in the Council Offices, 102 High Street, Eton

Thursday 4th July 2019 at 7.30pm

- Present:** Cllrs R. Lewandowski (Mayor), M. Blightman, M. Cadwallader, D. Hill, M. Leach, J. Lovell, K. Robertson & Mrs L. Tarbox
- In Attendance:** Mr R. Austen (Town Clerk), Mr M. Reynolds (Accountant), Dr R. Rivaz (ECA), Ms C. Taylor & Mr A. Pearn-Rowe (EWVA), Cllr Mrs S. Rayner (RBWM), PC Pete Bullett & PCSO Melita Diprose (TVP)
- Apologies:** Cllrs D. Bishop, Mrs S. Evans, G. Fussey, P. Lawless & D. Reed (ETC), Cllr J. Bowden (RBWM)

The Mayor opened the Meeting by welcoming everyone present. The apologies were recorded.

CM 5221 Finance

-
- 1) Mr Reynolds presented June monthly and YTD accounts to the Meeting. Expenditure was £400 over budget. Playground maintenance costs are high but this is often balanced out by underspend on grounds maintenance. The monthly schedule of payments and the monthly accounts were approved.

-
- 2) Members considered the following expenditure with Greentouch Ltd:

£350 plus VAT to remove the foliage behind 13 Princes Close.

This was approved on the understanding that Greentouch removes the chippings from the site. Town Clerk to advise Greentouch accordingly

Action: Town Clerk

-
- 3) £100 plus VAT to water the trees at Stockdales Road Recreation Ground. This expenditure was refused on the basis that as these were new trees planted by Greentouch, that Greentouch should be responsible for maintaining them during this hot spell as part of the original agreement. Town Clerk to advise Greentouch accordingly

Action: Town Clerk

- 4) Members considered the request from Councillor Fussey for ETC to re-join the National Association of Local Councils (which includes the Berkshire Association) at an annual cost of £874.64 plus VAT. There was widespread support for this and so this unbudgeted expenditure was agreed. Town Clerk to make the necessary arrangements

Action: Town Clerk

- 5) Mr Reynolds advised members of the situation with the Eton Community CIC accounts, specifically the £50K grant from RBWM which it is understood was made for capital expenditure (restricted fund) and cannot be used for revenue items (unrestricted fund). Dr Rivaz advised the Meeting that the grant was made for 'refurbishment and set up' purposes and this included non-capital items. It was agreed that Dr Rivaz would clarify the terms of the grant with Mr Reynolds and the Town Clerk

Action: Dr Rivaz

CM 5222 Thames Valley Police (TVP) Issues

PC Bullett outlined the following situation:

- 1) A Cycle Watch in the High Street is scheduled for 15th and 16th July to which ETC councillors are invited to participate.
- 2) Reported Crimes in Eton:
1 burglary in Church Close on 2nd July
1 shoplifting on 1st July at Jack Wills, 17 High Street
6 thefts from cars, notably in car parks
4 pedal cycle thefts, notably from Windsor & Eton Bridge
- 3) Reported crimes in Eton Wick: 5 thefts from cars
- 4) In response to a question on CCTV monitoring from Dr Rivaz, PC Bullett explained that this is not often effective because the miscreants cannot be identified in many cases.

The Eton Fair will be coming to the Brocas, setting up on 14th July and open to the public from 19th July to 4th August. Concern was expressed over the rise in the crime rate over this period and it was agreed that the Town Clerk should write to Eton College requesting them to discuss the issue with the fairground organisers.

Action: Town Clerk

CM 5223 RBWM Councillors' Issues

Cllr Mrs Rayner reported on the following:

- 1) The cattle grid repairs signage has gone ahead and all agreed that Ms Fedyna of RBWM had done an excellent job in communicating the issues with the local population, including attending the meeting of EWVA. It was noted that South Bucks Council had only put their signs up today (4th July).
- 2) RBWM intends to be carbon neutral by 2050.

- 3) RBWM has granted £75K towards Heathrow expansion opposition.
- 4) Work on the Haywards Mead Car Park had been completed, to a very high standard.
- 5) Cllr Mrs Rayner is pursuing the issue of wifi in Eton with the Infrastructure Lead Councillor at RBWM.

CM 5224 Eton Community Association (ECA) & Eton Wick Village Association (EWVA)

ECA

The June ECA report had been circulated to Members ahead of the Meeting and Dr Rivaz highlighted certain points:

- 1) Eton & Eton Wick Information Centre: A 'soft launch' had taken place and all is proceeding well. There will be a 'hard opening' in August probably.
- 2) Eton Action List: There was concern over the apparent current lack of effort by RBWM in dealing with the various issues highlighted. It was agreed that the Mayor would discuss this with Cllr Mrs Rayner.

**Action:
Mayor**

The June ECA report had been circulated to Members ahead of the Meeting and Dr Rivaz highlighted certain points:

- 3) Manholes and drains were not being attended to and there are health and safety issues involved.
- 4) Speed Indication Devices: This issue is being pursued with RBWM.
- 5) Wifi: Cllr Mrs Rayner is pursuing a new grant from RBWM; the previous grant was not made. The Mayor read out a comment from Cllr Reed which expressed some concerns over the introduction of wifi in Eton when 5G was close to being a reality and which would make obsolete the need for wifi. It was agreed that when Dr Rivaz has pursued other avenues that she and Cllr Bishop and Cllr Lewandowski would come together and agree on the optimum way forward on this important issue.
- 6) The situation with electrical wires and boxes on buildings was being addressed.
- 7) There was a Heathrow Consultation Meeting on 11th July at the Castle Hotel, Windsor.

**Action: Cllr
Bishop & Cllr
Lewandowski
& Dr Rivaz**

The Mayor thanked Dr Rivaz for her report.

EWVA

The notes of the EWVA meeting on 19th June had been circulated to Members ahead of the Meeting and Ms Taylor highlighted certain points:

- 1) The meeting had been very well attended with 55 present, including several residents of Dorney who had come to learn more about the cattle grid repairs.
- 2) Ms Fedyna had given a good presentation on the cattle grid situation.
- 3) Shepherds Hut development was discussed and the café idea was well received.
- 4) Eton Wick Community Day planned for 20th July
- 5) The next EWVA Public Meeting scheduled for 18th September.

The Mayor thanked Ms Taylor for her report.

CM 5227 Standing Committee

The Mayor reported that an inaugural meeting had taken place on 20.6.19 at Baldwins Bridge Institute with the full committee:

Mayor
Cllr Mrs Evans
Cllr Fussey
Cllr Hill
Cllr Reed
Cllr Robertson
Town Clerk

Issues discussed included updating Standing Orders and Financial Regulations and this was delegated to Cllrs Fussey and Reed to attend to. Other issues discussed were email protocol and ETC meeting organisation. The Mayor stressed that nothing was being rushed and Members would be consulted before any changes were implemented.

CM 5228 Mayor's Report

In addition to the usual meetings with the Town Clerk, the following were attended:

- 11th June: Sandhurst Military Academy Serfco Diversity Presentation
- 18th June: Meeting of South Meadow Lane Pavilion committee
- 20th June: Inaugural meeting of Standing Committee
- 22nd June: Eton College Common Land Steward Appointment

CM 5229 Action List

Cycling Problems in Eton High Street	Added to Action List for 6.6.19 ETC Meeting. Town Clerk has written to Sgt Emma Pendry of TVP who has followed this up with PCSO's and activity has taken place, with culprits being ticketed. At the ETC Meeting on 6.6.19 concern was expressed over the lack of enthusiasm from TVP at the Meeting over ETC participation in the campaign, and the Town Clerk wrote to Sgt Pendry for a timetable of when the PCSO's will be present so that ETC Councillors can join them in a supportive role. Sgt Pendry has responded and has asked PCSO Liz Davidson to respond with timetable. At the ETC Meeting on 4.7.19 TVP invited ETC Members to a cycle watch on 15.7.19 and 16.7.19.
South Meadow Lane Pavilion, Eton	NB Cllr Lewandowski has declared an interest in this matter. Cllr Reed is leading the project and he has spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6.7.17 ETC Meeting. This would need to come from reserves. ETC approved expenditure of £995 on a Flood Risk Survey at the 5.10.17 ETC Meeting, to come from the £5,000 committed. A planning application was submitted for the building and this was approved by RBWM. A further planning application was made for the car park and ETC approved expenditure at the 5.4.18 ETC Meeting of £1,000 to Lewandowski Architects to make this submission. In addition, £2,000 was approved at this meeting for a Structural Engineer report. Planning approval has been obtained and the next step is to raise the funds, the estimated cost is £250K. It was established at the 4.10.18 ETC Meeting that the capital bid of £150K through RBWM had not been made. A meeting of the working party took place on 4.9.18 and Cllrs Leach and Reed were charged with formulating a business plan. A further meeting of the working group took place on 11.12.18 to update on progress. At the ETC Meeting on 7.3.19 concern was expressed at the lack of progress and discussions took place on what would be the best way forward, notably scaling down the project to a renovation of the building instead of the proposed redevelopment. The cost of this renovation would be covered by the S106 Funds currently set aside for this building. At the ETC Meeting on 4.4.19 Cllr Reed advised that a Lottery grant of £100K had been made and Windsor Youth FC was seeking commercial sponsorship for the project. At the ETC Meeting on 14.5.19 concern was again expressed at the lack of progress and it was agreed that a final decision would be made at the next ETC Meeting on 4.7.19 when Cllr Reed is present on whether to simply renovate the existing structure. A working party meeting took place on 18.6.19 to discuss this situation.

Report from Cllr Reed for ETC Meeting on 4.7.19 Regarding the pavilion rebuilding, in an attempt to bring this project to a conclusion a meeting was held at ETC offices on 18th June with Bob, Ron, Malcolm and Duncan in attendance. Our application for Lottery funding was refused on the grounds that “Other applications more closely align with the Fund's priorities”. Ron will contact Cllr Rayner to follow-up on possible RBWM funding, Duncan will follow-up with Windsor Youth Football Club on their sources of funding that includes possible commercial sponsorship and parents in the building trades. A further meeting will be called towards back end of July with Windsor Youth Football Club president Paul Mitchell invited.

Haywards Mead Play Area Following discussions between EWVA and Cllr Mrs Rayner on 5.7.17, it was decided that Haywards Mead Play Area needed upgrading and Cllrs Mrs Tarbox and Lawless were charged with formulating a proposal for ETC to consider. Mrs Tarbox reported at the ETC Meeting on 1.2.18 that rather than replace the equipment, which was still in good condition and used continuously, what was required was a better entrance to Haywards Mead Recreation Ground and a better entrance footpath to the Play Area. The existing equipment could be spruced up and additional small items of ‘imaginative’ equipment installed. Cllr Mrs Tarbox has advised members of her vision that focuses on the 4 areas of: play equipment, entrance, car park and signage. Cllr Mrs Tarbox presented two proposals at the ETC Meeting on 5.7.18 which would cost around £80K. Cllr Mrs Tarbox and Clare Taylor are proceeding with funding options including a RBWM Community Grant and a Big Lottery Grant. With the financial situation at Stockdales resolved at the ETC Meeting on 7.2.19 it was now possible to proceed with Phase 1 of the project which is to renovate the entrance to Haywards Mead Recreation Ground, including a new sign, and the path to the play area, A meeting had taken place with Greentouch Ltd and a quotation has been received for authorisation at the ETC Meeting on 14.5.19. This was successfully agreed and Phase 1 will commence. Funding applications will continue. At the ETC Meeting on 6.6.19 it was reported that work had started on the removal of dead trees and the gate design is under consideration. Work is underway on the pathway. At the ETC Meeting on 4.7.19 Cllr Mrs Tarbox advised that Phase 1 and Phase 2 had been completed and Phase 3 – the entrance gate & new signage – was the next project and finally the play equipment which will be the subject of further fundraising.

**Eton
Wick
River
Link
Signpost**

Cllr Lewandowski is progressing this initiative with Sharon Wooten of RBWM and Eton Wick History Group to identify interesting points of old Eton Wick to be included. Cllr Lewandowski met with the History Society in March 2018 and was getting images and histories of various parts of Eton Wick to go on the signpost. It is envisaged to have 3 signposts sited in the village. A draft of the signpost was shown to Members at the ETC Meeting on 6.9.18 and was being reviewed by the History Society to decide what they want listed. Subjects will have QR codes for further information from the ETC website. The importance of the Eton & Eton Wick Information Centre in getting the message across was emphasised. Cllr Lewandowski presented the updated plan to Members at the ETC meeting on 7.2.19 and he will be meeting with residents on 12.2.19. At the ETC Meeting on 7.3.19 Cllr Lewandowski reported that meetings had taken place with all interested parties and a draft will be circulated to Members. At the ETC Meeting on 4.4.19 Cllr Lewandowski advised that the History Society would be credited on the board for the research as Frank Bond was a member of the Society. At the ETC meeting on 14.5.19 the Mayor advised that he had redesigned the signpost and was hopeful of a successful outcome in May.

At the ETC Meeting on 6.6.19 the Mayor presented the draft map and all agreed it was an excellent design. The plan was to install one in the centre of the village initially and then two more would be installed in prominent sites for walkers and cyclists. A copy of the map will be displayed in the Eton & Eton Wick Information Centre and one at the Eton Wick Community Day.

At the ETC Meeting on 4.7.19 the Mayor announced that the draft map was back with the History Society who wished to make some alterations.

CM 5231 Website

The June report from Cllr Blightman had been circulated. Members again wished to record their appreciation of Cllr Blightman for his excellence and diligence in managing the ETC website.

CM 5232 Other Organisations

1) Baldwins Bridge Trust	Cllr Lovell reported that Paul Bayley has been appointed as the new Bridgemaster and Cllr Mrs Tarbox is the new Bridgeman. The painting of the bridge continues and a grant had been made to Eton Wick Allotments Society for security improvements.
2) Eton Wick Football & Social Club	Cllr Lovell advised that there had been an AGM and Don Thorn was re-elected as Chairman and the committee was re-elected en masse.
3) Eton Poors Estate:	The next meeting will take place w/c 14.10.19
4) Eton Wick Waterways Group:	Cllr Lovell reported that the EA had surveyed Boveney Ditch in June. There was huge weed growth and action is needed to clear it as the water is backing up and causing problems upstream. A Stakeholders Meeting is scheduled for 24.6.19 at Maidenhead

5) **Heathrow
Airport
Expansion:**

Cllr Reed submitted the following report:

The first court, under Justices Hickinbottom and Holgate, did not accept the appeals lodged on 8th May. This is not surprising as they would have been hearing an appeal against their own ruling! The 4 parties (including RBWM) have now applied to the Court of Appeal. If the appeals are granted then it is likely they will be heard in the next couple of months. If the appeal is dismissed then there will be further opportunities to pursue a Judicial Review if the Secretary of State decides to approve planning permission.

*The statutory consultation that Heathrow have to undertake to support their planning application for a 3rd runway launches on **18th June and runs until 13th September**. This will include their 'detailed' masterplan and will seek feedback on: The upcoming consultation will seek feedback on four key areas:*

Heathrow's preferred masterplan for expansion: *Their proposals for the future layout of the airport including the runway and other airport infrastructure such as terminals and road access.*

Plans to operate the future airport: *how the future three runway airport will be operated, including important elements such as night flights. It will also set out how the 25,000 additional flights could be operated;*

Assessment of impacts of the airport's growth: *Heathrow's preliminary assessment of the likely impacts of expansion on the environment and local communities;*

Plans to manage the impacts of expansion: *Heathrow's plans for mitigating the effects of expansion, including property compensation, our Noise Insulation Policy, a Community Compensation Fund, and measures to mitigate against air pollution, carbon, and other environmental effects.*

After review by our members, I will plan to submit a response from Eton Town Council based on the fact that as a council we support RBWM continued opposition to the expansion of Heathrow.

CM 5233 Recreation Ground & Open Spaces Reports

Bell Lane Open Area	Cllr Robertson reported that all was well but the bench renovation had not yet taken place. Town Clerk will progress with My Handyman.	Action: Town Clerk
Stockdales Recreation Ground	In Cllr Lawless' absence, Cllr Robertson advised that all was well, but the trees needed watering. The Town Clerk is progressing this (see minute CM 5221)	
Haywards Mead Recreation Ground	Cllr Lovell reported that the main football pitch had been renovated by Greentouch. The stinging nettles build up would be cleared in September after the growing season, following discussions with local residents.	
South Meadow Lane Recreation Ground	Cllr Reed reported in writing that all was well.	
Jubilee Square & Watermans Arms	Cllr Leach reported that all was neat and tidy. There was an ongoing concern over the condition of the street furniture, much of which needed repainting. The Town Clerk will follow up.	Action: Town Clerk
Barnes Pool	In the absence of Cllr Bishop the Mayor reported that there was a build-up of weeds which was slowing the flow and making the pool look untidy. The plants needed more regular watering and the Town Clerk will check this out with Excellent Plants.	Action: Town Clerk

CM 5234 Any Other Business

1) Cllr Robertson questioned the survey on Bell Lane renovation and the Mayor advised that he will talk with Cllr Robertson and Ms Taylor on the matter.	Action: Mayor
2) Cllr Cadwallader complained over the number of A boards in the High Street, which make it difficult for wheelchairs and buggies to get past. Cllr Mrs Rayner will arrange for a letter from RBWM to all shops advising them that is not legal to use these items.	Action: Cllr Mrs Rayner
3) Cllr Blightman advised the Meeting that it was time to review ETC documents and he had redesigned the Planning and Minutes Reports and these were distributed for review by Members. In the meantime, Cllr Blightman will work with the Town Clerk to introduce this new style.	
4) Dr Rivaz requested that hard copies of reports be made available to members of the public at ETC meetings.	Action: Town Clerk
5) Cllr Lovell questioned when the pelican crossing in Eton Wick will be installed and was informed in October 2019.	
6) The Town Clerk advised members that Chris Joyce of RBWM had issued an invitation for her to attend an ETC meeting to discuss CIL. This was agreed and the Town Clerk to organise.	Action: Town Clerk
7) The Town Clerk requested a volunteer Member to prepare an Emergency Plan for Eton and Eton Wick. Cllr Robertson agreed to take this on.
