CM 5258 Finance

1. The Mayor presented the September monthly schedule of payments and this was approved unanimously. Mr Reynolds presented the September monthly and YTD position which showed a YTD deficit of £2,272 due to unbudgeted expenditure on Haywards Mead Recreation Ground reseeding. The September accounts were approved unanimously.
2. Members considered the estimate from Greentouch Ltd for 4 x concrete bollards at Bell Lane Open Area and works to Common Ditch. It was agreed that the concrete posts be installed now and the Town Clerk to seek an alternative quote from My Handyman before proceeding with the work.
Action: Town Clerk
The works to Common Ditch will be included in the overall biodiversity plan for Eton Wick.
3. The Town Clerk issued copies of the draft budget for 2020/21 which showed a marked increase over 2019/20. This was due to projected new expenditure on IT equipment and support, website development and support, and likely new costs associated with ETC riparian ownership at Boveney Ditch and Common Ditch. The Town Clerk will circulate the budget for Members to comment ahead of the November ETC Meeting.
Action: Town Clerk

CM 5259 Thames Valley Police (TVP) Issues

In the absence of Sgt Emma Pendry, the Town Clerk read out her crime report:

Burglaries from dwellings x 3
Thefts from motor vehicles x 2
Thefts of pedal cycles x 3

PCSO's Lizzy Davidson & Melita Diprose have been continuing to ticket cyclists riding on pavements in Eton and contravening the one way system.. Lizzy has also been out and about training the RBWM Community Wardens who now have increased powers to ticket cycling offenders.

Arson – a person has been arrested as a result of setting fire to bins in Eton.

Extra Patrols – The TVP team has been directed to conduct extra patrols around potential hotspot areas for theft and drugs, in order to develop intel and to deter offenders from believing that Eton is an unpoliced area.

The Town Clerk was directed to write to Sgt Pendry to express the Council's appreciation for the excellent work that is being done to reduce the cycling menace in Eton town centre.
Action: Town Clerk

CM 5260 RBWM Councillors' Issues

Cllr Bowden reported on the current issues, much of which had been reported by Cllr Rayner and circulated previously to Members:

1. Pedestrian Crossing on Eton Wick Road; Members considered that the optimum time to progress this work was when the road to Dorney was closed. Cllr Bowden would follow this up.
It was subsequently notified by RBWM that it was not legally possible to do this.
2. SERCO is the new contractor for domestic waste removal, effective w/c 30.9.19. Any complaints with their work should be reported using the RBWM on-line form.
3. The PSPO consultation period ends on 27.10.19
4. Premier Stores will have extended opening times in the morning.
5. Changes at RBWM – Cllr Andy Johnson (Maidenhead) is the new leader and Cllr Samantha Rayner (Windsor) is the new deputy leader.
6. There is a potential overspend of £4.1 million in the RBWM accounts for the current year, mostly due to excessive expenditure on care services. The RBWM Financial Director has resigned and a replacement is being sought.
7. Moves to form a Windsor Town Council along the lines of Eton Town Council are being progressed. It will take 2 years to come to fruition. Like Eton, there is little opportunity for CIL funding at the present time.
8. It was suggested that ETC applies to Heathrow Airport Campaign for funds for biodiversity projects.
9. Cllr Fussey reported that with the additional car parking enforcement measures being undertaken by RBWM throughout the Borough, that additional patrols be sent to Eton where there is constant illegal parking on yellow lines in Tangier Lane in the evenings. Cllr Bowden will follow up.

Action: Cllr Bowden

CM 5261 Eton Community Association (ECA) & Eton Wick Village Association (EWVA)

ECA

The September ECA report had been circulated to Members ahead of the Meeting and Dr Rivaz highlighted certain points:

1. A bank had been identified which would install a donate machine on the Windsor and Eton Bridge. When these machines are in use, it has been found that beggars are disinclined to frequent these areas, the designated charities benefit financially and career beggars move to other areas.
2. The Christmas Lights switch on takes place on 14.11.19 with a Community Carol Service at 6.00pm in Eton College Chapel followed by a parade through Eton High Street to the Jubilee Square where the lights will be switched on at 7.00pm

The Mayor thanked Dr Rivaz for her report.

EWVA

The notes of the EWVA meeting on 18th September had been circulated to Members ahead of the Meeting and Ms Taylor highlighted certain points:

1. Cllr Robertson had taken over as Chair.
2. Lynne Highy and Julia Chappell were stepping down from their roles at the end of the year.
3. The next EWVA meeting will take place on 16.10.19

Ms Taylor then briefly presented her Eton Wick biodiversity report which had previously been circulated to Members on 1st November.

The Mayor thanked Ms Taylor for her report.

CM 5266 Action List

<p>Cycling Problems in Eton High Street</p>	<p>Added to Action List for 6.6.19 ETC Meeting. Town Clerk wrote to Sgt Emma Pendry of TVP who followed this up with PCSO's and activity took place, with culprits being ticketed. At the ETC Meeting on 6.6.19 concern was expressed over the lack of enthusiasm from TVP at the Meeting over ETC participation in the campaign, and the Town Clerk wrote to Sgt Pendry for a timetable of when the PCSO's will be present so that ETC Councillors could join them in a supportive role. Sgt Pendry responded and asked PCSO Liz Davidson to respond with timetable. At the ETC Meeting on 4.7.19 TVP invited ETC Members to a cycle watch on 15.7.19 and 16.7.19. This took place. At the ETC Meeting on 5.9.19 Members asked to be informed of future cycle watches. At the ETC Meeting on 3.10.19 it was reported that further activity by TVP had taken place which will be ongoing.</p>
<p>Haywards Mead Play Area</p>	<p>Following discussions between EWVA and Cllr Mrs Rayner on 5.7.17, it was decided that Haywards Mead Play Area needed upgrading and Cllrs Mrs Tarbox and Lawless were charged with formulating a proposal for ETC to consider. Mrs Tarbox reported at the ETC Meeting on 1.2.18 that rather than replace the equipment, which was still in good condition and used continuously, what was required was a better entrance to Haywards Mead Recreation Ground and a better entrance footpath to the Play Area. The existing equipment could be spruced up and additional small items of 'imaginative' equipment installed. Cllr Mrs Tarbox advised members of her vision that focuses on the 4 areas of: play equipment, entrance, car park and signage. Cllr Mrs Tarbox presented two proposals at the ETC Meeting on 5.7.18 which would cost around £80K. Cllr Mrs Tarbox and Ms Clare Taylor are proceeding with funding options including a RBWM Community Grant and a Big Lottery Grant. With the financial situation at Stockdales resolved at the ETC Meeting on 7.2.19 it was now possible to proceed with Phase 1 of the project which was to renovate the entrance to Haywards Mead Recreation Ground, including a new sign, and the path to the play area, A meeting had taken place with Greentouch Ltd and a quotation had been received for authorisation at the ETC Meeting on 14.5.19. This was successfully agreed and Phase 1 commenced. Funding applications would continue. At the ETC Meeting on 6.6.19 it was reported that work had started on the removal of dead trees and the gate design was under consideration. Work was underway on the pathway. At the ETC Meeting on 4.7.19 Cllr Mrs Tarbox advised that Phase 1 and Phase 2 had been completed and Phase 3 – the entrance gate & new signage – was the next project and finally the play equipment which would be the subject of further fundraising. At the ETC Meeting on 5.9.19 Cllr Mrs Tarbox advised that the project was in progress and this was further reported at the ETC Meeting on 5.10.19</p>

<p>South Meadow Lane Pavilion, Eton</p>	<p>NB Cllr Lewandowski has declared an interest in this matter. Cllr Reed is leading the project and he had spoken to Paul Mitchell of Windsor Youth FC who are keen to work with us and may contribute financially to the scheme. Cllr Reed circulated a report of his discussions to the working party and an application for £5,000 to Lewandowski Architects to progress the project through to planning and contractors was approved at the 6.7.17 ETC Meeting. This would need to come from reserves. ETC approved expenditure of £995 on a Flood Risk Survey at the 5.10.17 ETC Meeting, to come from the £5,000 committed. A planning application was submitted for the building and this was approved by RBWM. A further planning application was made for the car park and ETC approved expenditure at the 5.4.18 ETC Meeting of £1,000 to Lewandowski Architects to make this submission. In addition, £2,000 was approved at this meeting for a Structural Engineer report. Planning approval has been obtained and the next step is to raise the funds, the estimated cost is £250K. It was established at the 4.10.18 ETC Meeting that the capital bid of £150K through RBWM had not been made. A meeting of the working party took place on 4.9.18 and Cllrs Leach and Reed were charged with formulating a business plan. A further meeting of the working group took place on 11.12.18 to update on progress. At the ETC Meeting on 7.3.19 concern was expressed at the lack of progress and discussions took place on what would be the best way forward, notably scaling down the project to a renovation of the building instead of the proposed redevelopment. The cost of this renovation would be covered by the S106 Funds currently set aside for this building. At the ETC Meeting on 4.4.19 Cllr Reed advised that a Lottery grant of £100K had been made and Windsor Youth FC was seeking commercial sponsorship for the project. At the ETC Meeting on 14.5.19 concern was again expressed at the lack of progress and it was agreed that a final decision would be made at the next ETC Meeting on 4.7.19 when Cllr Reed is present on whether to simply renovate the existing structure. A working party meeting took place on 18.6.19 to discuss this situation.</p>
<p>Report from Cllr Reed for ETC Meeting on 4.7.19</p>	<p>Regarding the pavilion rebuilding, in an attempt to bring this project to a conclusion a meeting was held at ETC offices on 18th June with Bob, Ron, Malcolm and Duncan in attendance. Our application for Lottery funding was refused on the grounds that "Other applications more closely align with the Fund's priorities". Ron will contact Cllr Rayner to follow-up on possible RBWM funding, Duncan will follow-up with Windsor Youth Football Club on their sources of funding that includes possible commercial sponsorship and parents in the building trades. A further meeting will be called towards back end of July with Windsor Youth Football Club president Paul Mitchell invited.</p> <p>Cllr Reed has made a capital bid to RBWM and is in discussions with RBWM regarding current availability of the £5,000 Community grant. At the ETC Meeting on 5.10.19 Cllr Reed confirmed that the capital bid to RBWM had been made and quotations are being sought for the building work. The project needs seed funding.</p>

Eton Wick River Link Signpost	<p>Cllr Lewandowski is progressing this initiative with Sharon Wooten of RBWM and Eton Wick History Group to identify interesting points of old Eton Wick to be included. Cllr Lewandowski met with the History Society in March 2018 and was getting images and histories of various parts of Eton Wick to go on the signpost. It is envisaged to have 3 signposts sited in the village.. A draft of the signpost was shown to Members at the ETC Meeting on 6.9.18 and was being reviewed by the History Society to decide what they want listed. Subjects will have QR codes for further information from the ETC website. The importance of the Eton & Eton Wick Information Centre in getting the message across was emphasised. Cllr Lewandowski presented the updated plan to Members at the ETC meeting on 7.2.19 and he will be meeting with residents on 12.2.19. At the ETC Meeting on 7.3.19 Cllr Lewandowski reported that meetings had taken place with all interested parties and a draft will be circulated to Members. At the ETC Meeting on 4.4.19 Cllr Lewandowski advised that the History Society would be credited on the board for the research as Frank Bond was a member of the Society. At the ETC meeting on 14.5.19 the Mayor advised that he had redesigned the signpost and was hopeful of a successful outcome in May.</p> <p>At the ETC Meeting on 6.6.19 the Mayor presented the draft map and all agreed it was an excellent design. The plan was to install one in the centre of the village initially and then two more would be installed in prominent sites for walkers and cyclists. A copy of the map will be displayed in the Eton & Eton Wick Information Centre and one at the Eton Wick Community Day.</p> <p>At the ETC Meeting on 4.7.19 the Mayor announced that the draft map was back with the History Society who wished to make some alterations.</p> <p>At the ETC Meeting on 3.10.19 The Mayor reported that the map had gone to press and one large map will be installed in the village centre.</p>
--------------------------------------	--

It had been decided that further reports of the Action List will exclude the history and will focus on current progress only.
