CM 5634 Welcome

The new Mayor opened the meeting by welcoming everyone present and especially the new Members Margaret Hayes-Powell and Malcolm Alexander, and reminded everyone that the Meeting was being recorded on YouTube.

CM 5635 Apologies

The apologies noted above were recorded.

CM 5636 Finance

1. The Town Clerk presented the April monthly schedule of payments to the Meeting and it was proposed by Cllr Bishop and seconded by Cllr Evans that the schedule be approved, and this was agreed unanimously.
2. Mr Reynolds presented the April accounts to the Meeting. April was an uneventful month with lower expenditure than budgeted due to the non-appearance of the invoice from Greentouch. It was proposed by Cllr Olney and seconded by Cllr Leach that the accounts be approved, and this was agreed unanimously.
3. The quotation from Playground Facilities Ltd of £210.75 plus VAT for supplying and fitting a gate damper to Haywards Mead Play Centre was approved. This work had already been initiated due to its urgent nature. **Action: Town Clerk**
4. The recommendation of the Environment Committee to replace dog bin no. 10 close to the Thames Path with a dual litter/dog waste bin from Earth Anchors Ltd costing £321.00 plus VAT and installation costs of £50 from My Handyman was approved. **Action: Town Clerk**
5. The recent income of CIL from RBWM was referred to the Standing Committee for consideration.
6. The 2020/21 Annual Governance Statement which had previously been circulated to Members prior to the Meeting was approved unanimously. The Mayor signed the document and the Town Clerk will follow the due process. **Action: Town Clerk**
7. The 2020/21 Accounting Statement which had previously been circulated to Members prior to the Meeting was approved unanimously. The Mayor signed the document and the Town Clerk will follow the due process. **Action: Town Clerk**

8. The issue of rebates to football clubs was discussed and it was considered fairer that all teams playing on Haywards Mead and SML pitches be offered compensation for the lack of playing time this season due to the Covid-19 pandemic. It was agreed that all the clubs be offered a 33% reduction on their fees for the 2021/22 season. This decision revokes the decision taken at the previous ETC meeting on 1.4.21 that the Sunday teams at Haywards Mead be given a rebate. The Town Clerk was directed to make the necessary arrangements. **Action: Town Clerk**
9. The dog waste service from Scoop Dotty Dog was cancelled at the beginning of May and so the Town Clerk sought alternative quotes as a matter of urgency. Members were advised of the quotes and the decision was taken via email that the contract be awarded to Shorts Ltd who quoted £6.50 per bin. This is more than double the Scoop Dotty Dog cost and so the 2021/22 budget for this service will be exceeded. The process was approved at the Meeting and the Town Clerk was managing the arrangements. **Action: Town Clerk**
10. An emergency collection of dog waste by TBS Hygiene Ltd for £230.00 plus VAT during w/c 17.5.21 was agreed by Members via email and this was approved at the Meeting. (TBS Hygiene Ltd was asked to tender for the service but their quotation had not arrived in time for the contract to be decided.) **Action: Town Clerk**
11. The estimate of £220.00 from My Handyman to repair the broken slide at Stockdales Play Area was approved. **Action: Town Clerk**
12. The estimate of £330.00 from My Handyman to remove the old entrance sign at Haywards Mead Recreation Ground and replace with the new one was approved. This expenditure would come from S106 funds. **Action: Town Clerk**

The intentions of the owners is still not known.

- Refuse Collection - Issues are still under discussion.
- Electric car charging points are still under discussion.
- Cllr Rayner attended a EWWG Flood Forum meeting in May and other meetings are being planned.

Cllr Tarbox pointed out that some refuse bins in Eton Wick had not been emptied. Cllr Rayner responded that there had been problems with blocked access and the contractor had to return on another day.

CM 5639 Thames Valley Police Liaison

The report from TVP had been circulated to Members ahead of the Meeting and the Town Clerk read it out to the Meeting.

Cllr Lawless agreed that dog ransoms are a real concern.

CM 5640 Coronavirus Pandemic

With nothing to report from either Eton or Eton Wick it was agreed that in future the subject would be covered in the ECA/EWVA reports.

CM 5641 Library Provision

The Mayor introduced the following motion and asked for views from Members:

'This Council,

- Acknowledges the vital role of libraries as community hubs.
- Laments the recent cuts to library provision in both Eton & Eton Wick and the threat they pose to the cohesion of our community.

Resolves to contribute £1,250.00 to the fund-raising efforts of EWVA as it seeks to maintain the identified demand for 17 opening hours per week.'

Cllr Lawless confirmed that this injection would enable the 17 hours a week schedule to be maintained, instead of the 13 hours planned by RBWM. There would be contributions from other sources to make up the shortfall. The ETC contribution of £1,250 would be a one-off and would not be an on-going commitment.

Cllr Leach expressed his concern that contributions from ETC should not be channeled through EWVA (or ECA for that matter) for these purposes. If agreed, ETC should be supporting the initiative directly. Cllr Lawless responded that EWVA was co-ordinating the fundraising.

Cllr Evans declared that the library was very important for the community, and the scheduled 13 hours was inadequate for the needs.

Cllr Olney questioned whether this motion was pre-empting the result of the RBWM consultation in June?

Cllr Hemming believed that ETC had a duty to support the service.

Cllr Alexander suggested that it is a dangerous precedent to expect parish councils to financially support RBWM in its service provision. Cllr Hayes-Powell agreed that ETC should not be subsidising RBWM.

The motion was proposed by Cllr Lawless and seconded by Cllr Evans and a vote was taken:

For the motion: 3
Against the motion: 5
Abstentions: 3

The motion was therefore rejected.

The Town Clerk will write to EWVA with this decision

Action: Town Clerk

CM 5642 ECA & EWVA/EWWG Liaison.

- **ECA**

The report from ECA had been circulated to Members ahead of the Meeting and Dr Rivaz highlighted certain points:

1. The ECA AGM will take place on 2.6.21 via Zoom.
2. The Eton Christmas Lights switch-on will take place on 18.11.21.
3. A Street Party for the Platinum Jubilee will take place on 4.6.22.
4. 46 people attended the Eton Litter Pick on 25.4.21.
5. A buyer may be lined up for the Cockpit.
6. There have been 2 weekends of ASB patrols (with TVP and RBWM Enforcement Teams) and there are hopes that things are improving. Resources are now being held back for the Brocas Fair on the last 2 weeks of July when incidents of theft from shops increase significantly.

- **EWVA/EWWG**

The report from EWVA had been circulated to Members ahead of the Meeting and in the absence of Cllr Robertson and Ms Taylor, there were no questions.

CM 5643 Confirmation of the Minutes of the Town Council
